About our cover

Just Peachy!

Surrounded by his jubilant Boilermaker team, Coach Jim Young accepts the silver Peach Bowl Trophy, after a stunning victory over Georgia Tech Christmas Day, 41-21.

In only his second year at the Boilermaker helm, Young was also named Big Ten Coach of the Year. He led the Riveters to an 8-2 season, with only losses to Notre Dame and Michigan to mar the slate.

The Boilers, the only winners in Big Ten post-season competition, gave us a super Christmas show in Atlanta, enjoyed by some 5,000 Purdue alumni, students and friends. About 260 alumni joined the official tour party at the Atlanta Marriott and spent an enjoyable, festive three days.

Photos from the tour and the Bowl inside this month. Also a cautious look into the future by our director of psychological services, news about Ft. Wayne's newest radio station, WIPU-FM, and a look at the ag export situation.

State Utilities Commission Recommends New Schedule of Water Rates for Van Wert.

The State Public Utilities Commission, following a survey by an expert of the Van Wert City Water Works Department, has filed a recommendation that the rates for water be increased so as to bring the annual receipts of the department to $35,000.00. The purpose of the proposed increase is to create a surplus to be used for the payment of outstanding bonds, issued for the construction of the system. The gross receipts of the water works department the past year were [illegible]1.64, the receipts from the sale of water to patrons being $24,849.18. Consequently, the proposed new schedule of rates would exact from regular patrons of the water department approximately $10,000.00 additional annually. The power to increase the rates, under provision of State law, rests with the Director of Public Service.

Dear Lorna,

Have some more info for you. I found George F. Snearly, born 4/16/1853 and the son of Jacob and Catherine Snearly, in the 1910 census in Allen County, Lafayette Twp., E.D. #9, Sheet 6B. It shows that he is divorced. So the marriage I found is for him. It was in the Allen County, Indiana Index to Marriage Record, 1824 – 1920 Vol. IV. George F. Snearly to Emma L. Wymer, January 1, 1888, Book 17; OS pg. 424.

I have found Jacob E. Snearly in several Indiana censuses. This is the Jacob that is the 7th child of George F. and Mary Magdelena Volz Snearley. I may have already given you some of this but just in case here goes. 1880 census, Indiana, Miami County, Perry Twp., E.D. #113, Page 18: Jacob E. Snearly, age 25, farmer, Hattie A., wife, age 22, Mary M., mother, age 61 (this is Mary Magdelena Volz Snearly). 1900 census, Indiana, Miami Co., Perry Twp., E.D. 102, Sheets 13 and 14: Jacob Snearly, born July 1854, age 45, widowed, farmer, George E., son, born Sept. 1880, age 19, single, farm laborer; Luther C., son, born Nov., 1887, age 12, single, at school; Cleo L., daughter, born Jan., 1891, age 9, single; Eunice, daughter, born Aug., 1897, age 2, single. 1910 census, Indiana, Miami County, Perry Twp., E.D. #122, Sheet 6B: Jacob E. Snearly, head, age 55, married twice and this marriage for 5 years, farmer, home farm; Ruth E., wife, age 45, married twice, had 3 children and all are living at time of census; Clara, daughter, age 19, single, born in Nebraska, father and mother both born in Indiana; Sarah, daughter, age 16, single, born in Nebraska, father and mother both born in Indiana; Cleo, daughter, age 18, single, born in Indiana, father and mother both born in Indiana; Eunice M., daughter, age 12, single, born in Indiana, father and mother both born in Indiana. 1920 census, Indiana, Fulton County, Henry Twp., Akron Town, Ward 3, E.D. #65, Sheet 15 B: Jacob Snearly, age 65, married; Ruth E., wife, age 55, Eunice, daughter, age 22, single, student at college.

What do you make of the 1910 census info with Clara and Sarah both being born in Nebraska? Do you think they could be the daughters of Ruth by her previous marriage even though it says their last name is Snearly? Also could Jacob have moved to Nebraska for a short time with either Hattie or Ruth and then returned to Indiana only this time in a different county? In his will which was filed in Fulton County he names only his wife Ruth E and the "remainder to my sons, George E. and Luther C. Snearly and to my daughter Cleo F. Snearly Taylor…". Almost makes me think that Clara and Sarah were his step daughters. Anxious to hear what you think.

I have a call in to the Wabash County Court House to see about how much it will cost to get copies of George E. Snearly's criminal court case file. She is suppose to check to see how many pages it is and call me back. At $1 a page I didn't want to order a 50 page + file. Haven't heard from her yet.

Gotta run but wanted to get this off to you in the mail so I can get your feed back.

Talk later,

Linda

and possibly much of Wednesday will be required for rebuttal and the sur-rebuttal may complete Wednesday, requiring arguments to be left until Thursday, the case going to the jury that evening.

On the opening of court this morning Dr. MacBeth of Fort Wayne was the first witness called by the defense. His testimony was firm and positive that a man wounded through the base of the heart as was Columbus Croy, marshal at Woodburn, must have died instantly from the paralysis caused, unable to walk or run fifty-one feet from the point at which he was shot. He was the most positive of any of those so far testifying as experts in the point involved.

Following the doctor came John Stout, who had not quite completed his evidence at adjournment Friday evening. He was on the stand possibly

the last half year. Rebecca Whitelock married John F. Young in Franklin county in 1852 and moved to this county the same year.

About six months ago a tumorous affliction became apparent and this later developed into a cancer and her suffering became quite pathetic. The malignant ailment tore down her constitution rapidly and she was in a greatly weakened state up to her death.

Surviving besides the children are several brothers and sisters. Just a year ago last February 14, the husband, John Young, died. Brothers and sisters living are Mrs. Prudence Allison of Metamora; Rachel Walker of Iowa; Mrs. Jane Rodgers of Ottumwa, Iowa; Jonathan and W. T. Whitelock of this city, and D. D. Whitelock of Mexico. ROANN PHYSICIAN ON MURDER CHARGE

Dr. George E. Snearly, twenty-eight, of Roann, was Friday afternoon arrested on a charge of murdering his wife, Sarah L. Snearly, thirty-nine, by administering poison. He was placed under arrest by Constable Madison Guyn upon a writ issued by Coroner Dennis, charging him with administering strychnine, which caused the death of his wife. The arrest proved a sensation, not only in Roann, where Dr. Snearly and his wife resided, but also in Wabash, where he was known as one of the most prominent of the younger physicians.

Mrs. Snearly died February 3, and she was buried February 5. Testimony showed that the funeral was held earlier than advised at the request of Dr. Snearly.

Monday, Feb. 15, Dr. Snearly called upon the prosecutor and stated that, owing to rumors current after death, he wished the body exhumed and an inquest held, following a post-mortem.

It is said that before this request was made the prosecutor, Frank G. Carpenter, had already called the attention of the coroner to the death and that an affidavit charging murder was in the possession of the prosecutor. The order was then made by the prosecutor and a postmortem was held.

The organs were sent to Fort Wayne for chemical analysis, but nothing was found to indicate poisoning. The assertion had been that death was due to strychnine poison administered hypodermically. Testimony was introduced showing that Mrs. Snearly died in convulsions and with marked symptoms of strychnine poisoning. On her deathbed it was stated in testimony that Mrs. Snearly accused her husband of "doping" her and evinced fear of him.

It was also stated at the coroner's inquest that there was ill feeling between the two and that Dr. Snearly showed ill nature toward his wife during his treatment of her. It is asserted that Dr. Snearly profited by the death of his wife, they having no children, but that after the death he offered her only brother half interest in the farm to drop all efforts to bring the cause of the death to the attention of the authorities. The brother is one of the chief accusers.

When arraigned, Dr. Snearly asked for a preliminary hearing before Justice Tyer, and this was set for next Wednesday morning.

last year or two, but the symptoms had not been so violent at any time as to cause apprehension that fatal results would follow so soon.

During the day, Friday, he had been up and about looking after his chores around the place. After coming into the house, his wife conversed with him about minor matters. He asked the wife if she were about through with her duties in the fixing up of the room and she said she was, all except to wipe off the looking glass. At this Mrs. Dinius stepped from the room and in a few minutes her husband called to her. Upon entering the room the husband was found to be quite ill. A grandson, Ralph Withrow, who was present, aided the wife in caring for the afflicted man. Ralph removed the overshoes from the sick man, and efforts were made to remove him to a bed, but he sank back entirely helpless. "Who took off my overshoes?" the dying man inquired, which were the last words uttered.

The deceased was a native of Stark county, Ohio, the date of his birth having been April 18, 1838. When quite young he came to this county with his pioneer parents, the family locating in what was afterwards known as the Dinius and Simons neighborhood in Jackson township. His marriage to Elizabeth Zent was solemnized December 29, 1865. To them three children were born, two daughters and a son. One of the daughters died in 1890. The surviving daughter is Mrs. Eva Withrow, the excellent wife of David Withrow, formerly of this city but now of Roanoke. The son is Wesley F. Dinius of Jackson, Mich. There are five surviving grandchildren, also three sisters and two brothers, namely; Mrs. Harriet Zent of Roanoke; Mrs. Elizabeth Wade of Akron, Ohio; Mrs. Mary Harley of this city; A. M. Dinius of Mt. Clemens, Mich., and Abram Dinius of Akron, Ohio.

There are no truer-hearted or more estimable people than was Peter E. Dinius. An advocate of the golden rule and of the principles that constitute uprightness and strict honesty of purpose, his life was one worthy of emulation and his memory will never grow dim in the recollection of the many who esteemed him and appreciated his friendship.

The obsequies will be conducted

In Aunt Sabina's last Christmas card she wrote that they were in pretty good shape considering the shape that they were in. After getting the above information last January 1997, I wondered if they knew whether they were walking down the church aisle or the hospital aisle. Haven't heard a word from David this year.

The above is the latest info that I have. Some is "current" and other is several years old, but I just got it.

I'll cut out info from the News-Sentinel (evening) paper regarding the Amish. There is an Old Order Amish lady that writes a short column weekly including recipes. (A word of caution, however. Prepare to cut according to table seating. There was a cookie recipe that looked and sounded good. I cut it in 1/2 and ended up using my large 7 qt. cold-packer to mix the cookies in. They were very good.
Her diary will send you back in time Russell...getting up at 4 a.m. to do chores. Milking cows, eating breakfast that includes more food than we eat all day. Anyway, after I get an accumulation I'll send them on.
After getting all this stuff, possibly late, If you want to call it late 1997 fine, but early 1998 might be better.

Me...Lorana

I guess I failed to mark in the book the end of whatever year it was that I last typed the genie information for you. So some of this following info may be duplicated. L (any info after 1995 I'll type here; unless it's new to me)

1997 IPFW Men's Volleyball
•Season Ticket Package•

IPFW Men's Volleyball Is Back!!!! One of the top college teams in the midwest is poised and ready to regain the stature that saw them knocking off the likes of **Southern California**, **Stanford**, **Ohio State**, and **Penn State** on a daily basis. This heightened confidence comes after 17 year head coach Arnie Ball went out and recruited the ***#1 freshman class in the nation***. The NCAA Championship, a title the Dons have competed for at the "NCAA Final Four" during three of the last six years, continues to be the goal of IPFW. Another goal, though, is to continue to involve the Fort Wayne community in the volleyball program. The men's volleyball team has led the nation several times in average attendance, with an all time high average of 3,035 fans per match in 1994. We want to go well beyond that in 1997!

We are offering an excellent opportunity for you, your employees and friends to enjoy one of the most exciting and athletic of all sports. Help us continue to provide Fort Wayne with truly ***"Big-time"*** college athletics.

George F. Snerly served many years as a Sharon Twp. Commissioner, several years as Chairman. In a plot book of Sharon Twp. he was not listed as a landowner. His picture did appear as a resident of Vandalia, Ill.

The 1910 Illinois Census also has listed:

Unior S. Bazget, daughter	I wonder if this is Eunice spelled?

I have more family history type stuff on George F.s brothers family. They owned land and lived in Lafayette Twp.
The borther was Jacob F. Schnearly and wife Catharine Christine.

1997 July 6

Dear Gloria;

I'm sorry that this has taken so long, but it does seem that things keep getting in the way. Ken and I went out to the old cemetery and did some gravestone reading and scratching.

I firmly believe, nothing in writing to prove my thoughts but.... in the old cemetery where the Jacob and Christine Snerely family are buried there is a short row of VOLZ.

Unna Maria
wife of Christian Volz ? Sept 1807 8 Sept 1859

Unna is spelled Unna-the German spelling

Rebecca, Tochter of Christian and Unna Volz
12-13 1851 - 9-28-1860

Jakob Volz 10 Sept 1787 - 5 Oct 1855 (1835 hard to read)

Johannes Volz 18 January 1819 - 7 Dec 1901 at rest

There GENTH, SEIBOLD, SEABOLD, 5 or 6 ways to spell Schnerly,Schnerely, Snearly, etc. One marker had several spellings.

I did take pictures and when they are developed I'll forward a copy.

The marriage license that Gottlieb Mohr and Sarah Schnurle signed seems to indicate that Schnurle is the way it's spelled. Altho the way the clerk spelled it, it could be Schnarle.

The marriage license that John Dornan and Mary Schnurle clerk's copy. The JP signed that names as Mary Schnurle ([illegible] clear) and John Thoman. When I get to the copy machine I'll run off a copy. I did find Mary Thoman In Ill. along with brother David W. copy to follow.

I think most of the family went to Ill. as my mother claimed that Susie also was in Ill. at one time.

Part II: con't from November 6, 199 7

You mentioned that your father remembered S. J. Holley's Catholic funeral. Mom didn't remember her first but the tales that surrounded it. The funeral of Hattie Mohr Cavanaugh' first husband.

James P Cavanaugh died 1906 August 1 30Y 18d of TB he had been a station master at Cavett. He interred Woodland Cemetery, Van Wert, OH Section 44. Services from St. Mary's Catholic Church, Van Wert, Ohio. I have a marriage date of 1901 November 21.

In the 1920 census (I begin at the latest census and work backward when I don't where I'm supposed to be looking, and then backward to the next indexed census. A person does collect a lot of names, tho. By the time you get to the "first" census you tend to have a majority of the children and a lot of the grandkids.

Whem I get back to the library, I'll continue going backward in searching. I'll also do more checking regarding wills, death, and marriage licenses. I'll see what I can shake loose in the 1920 Cleveland area.

I sorted the enclosed sheets out by year, state and county. Hope they are clear as mud ....

Dear Lorna,

I would like your help on the Snearly family! My parents, Carl & Dorothy Mohr, gave me all that you had sent them. These include pictures from the cemetery in Allen County where some of the Snearly family are buried. One is a picture of George F. Snearly of Vandalia IL, probably the brother of Sarah Snearly Mohr, from a historical atlas.

We are wanting to put together any records we have into notebooks for our children and grandchildren. The Snearly family is a void. I am enclosing a family group sheet on the George F. Snearly family gleaned from you, Gottlieb's 1916 history and the cemetery books.

Dad has always talked about the family so we have a natural interest in the history. I have the death record of Susan Barbary Holley, sister of Sarah. I have the will of John Snearly, brother of Sarah, who is buried at Mohr Cemetery. I have a picture of Mary Voltz Snearly.

We went to the Allen County Courthouse to get the marriage record of Gottlieb and Sarah, hopefully that will come. It came but no volume or page.

Do you have any Census Records, Marriage or Death Records on George & Mary Snearly or their children.

Sincerely,

Gloria M. Fast

Dear Farm Owner:

"I wish I would have known about your organization and services years ago." This is a statement we've heard from many of our clients, and unfortunately, many farm owners have not heard about our organization or the services provided. With this letter we would like to acquaint you with our organization.

Halderman Farm Management Service, Inc. was founded in 1930 and today has grown to become one of the largest professional farm management and farm real estate organizations in the United States. The reason we have grown is because agriculture continues to make significant changes and it's very difficult for a farm owner to keep current on the most profitable management practices, lease arrangements, and the farm real estate market. By our managing hundreds of farms, and continuously making farm appraisals and real estate sales we are able to keep current in these areas. This knowledge we can then use to help our clients maximize their farm returns and farm investment satisfaction.

The services we offer are as follows:

1. Professional Farm Management. This service is designed to meet the needs of our clients. Normally it includes complete management of the crop and livestock enterprises, complete farm records and financial reports, marketing, tenant securement, and lease negotiations.

2. Farm Real Estate. Through our extensive coverage we represent farm owners in selling their farms or in their acquisition of additional acreage. We have eighteen area representatives who are all licensed real estate salesmen or brokers. They live throughout Indiana and the adjoining states and have daily contact with many farm buyers and sellers. We advertise nationally and have buyers from other areas contact us on a regular basis.

3. Farm Appraisal. With our management and real estate experiences as a background we are well qualified to appraise any farm for any purpose. Appraisals most frequently made are for estate and gift tax purposes, land acquisition, and condemnation proceedings.

Tearfully we (lay = place - put) you

For that reason we mourn you

ST. HENRY CHURCH
FORT WAYNE, INDIANA
FINAL REPORT
PARISH STEWARDSHIP INCREASED SUPPORT PROGRAM

In order to increase our parish income so we can meet the increased cost of both Parish and Diocesan programs, St. Henry's, along with the majority of other parishes in the Diocese, engaged in an increased support program that concluded with Commitment Sunday, October 8. Here are the results.

1. Sixty per cent of the parish responded by returning Commitment Cards: 834 letters were sent, 560 cards were returned.

2. The amount pledged by 60% (560 envelope holders) was $6278.00 weekly.

3. Since some contribute monthly, quarterly, or annually, it is not possible to give an accurate overall percentage increase to date.

4. However, a sample comparison was made between adult envelopes for October 1977 (with 5 Sundays), and October 1978 (with 5 Sundays). The increase in 1978 was $4369.00 for the month, approximately a 16% increase over last year.

Below is the "giving profile" both before and after Commitment Sunday, October 8:

Giving Range	Contributors before	Contributors now
No record of support	145	no cards returned 274
.01 - 1.00	89	6
1.00 - 2.99	93	19
3.00 - 4.99	89	47
5.00 - 7.99	140	150
8.00 - 10.99	93	101
11.00 - 14.99	80	76
15.00 - 19.99	46	74
20.00 or more	59	87

I want to express my appreciation and sincere thanks to the parishioners for their generous commitments, and to the men and women who devoted their Sunday afternoon, October 8, to calling on parishioners and picking up commitment cards. Your response is much more than a financial commitment. It is a continued expression of faith in Christ and the work of His Church.

Dear

You missed a great opening trial meeting at the Hair's residence the other night. Fifteen people came and found it very easy to speak openly. It wasn't only because everyone knew we each had similar problems; everybody got along so well, too, --(although strangers). The gathering was also highly informative, as John Murphy helped us to become organized in a meaningful way. (Mr. Murphy is from the state foundation for epileptics).

Our next meeting is important, too. It will be a picnic where we all bring our favorite dish. It will be mainly a social get-together where we meet the need of becoming acquainted. This will be located at Sears Pavillion, Quimby Village, near Foster Park on Bluffton Road. We will all be glad to see you on August 17 at 6:30 P.M. Be sure to remember your table service.

Also, look forward to an August 10 session, held between 7:00 P.M. and 9:30P.M., at the IUPUI Regional Campus, 2101 East Coliseum Blvd.. -Although, being beginners, we can't yet attest to having inspired this type of program, but we hope to soon. The subject is "Statement of Shared Needs" and is about disabled persons. Attendees will have an opportunity to express themselves, along with the speaker, on many vital concerns. Major concerns about the age, employment, health of the disabled, etc. will all be helpfully discussed --so we're anxious that you know about it.

The September 23 meeting will have an informative speaker, Carol Berg from the Wabash foundation, who will teach us alot about ourselves and give us many plans about getting together. We certainly don't want to waste our fellowship by crying on one another's shoulders. She will give us outstanding ideas; we are also sure that your own suggestions will be something to look forward to as well!' We hope to see you at The Shawnee Branch Library, 5500 block on South Calhoun, at 7:30 P.M. We must all pull together to be number one. Our plans are to select a regular title in September, too. We can't wait for your aid in every particular area!

Many responsibilities have already been handed out. Far more will be assigned, but there has been a difficulty in reaching people by telephone.

You perhaps will need this address in order to write for any literature which our foundation is too new to supply yet. We're anxious to do this favor for you soon!

From December on, it has been our tentative decision that all will meet on the third Thursday of every month at 7:30 P.M. So far, there haven't been any conflicts but you may have one for us to consider.

Again at The Shawnee Branch Library, 5500 block on South Calhoun, on a Monday- November 15, at 7:30 P.M., there will be another well-planned session to acknowledge the epilepsy month of November.

November 4, 5, and 6 are also the dates when the third annual EPILEPSY STATE CONFERENCE, which you may care to attend, will meet at Indianapolis. It is found to be quite appealing and highly educational.

There will be a Christmas Social on December 16 at 7:30 P.M. -The details will be given to you later.

On January 20, 1977, -at 7:30 P.M., the newly elected officers will take charge. Also, it has been planned to give every member a program for the meetings in 1977.

(I forgot to mention that the August 17th meeting , the picnic to become acquainted, is for everyone in the family).

We can't wait to meet you!

The state address is:

EPILEPSY FOUNDATION OF INDIANA
Suite 300, -4002 Meadows Drive
Indianapolis, Indiana 46203

You perhaps will need this address in order to write for any literature which our foundation is too new to supply yet. We're anxious to do this favor for you soon!

From December on, it has been our tentative decision that all will meet on the third Thursday of every month at 7:30 P.M. So far, there haven't been any conflicts but you may have one for us to consider.

Again at The Shawnee Branch Library, 5500 block on South Calhoun, on a Monday- November 15, at 7:30 P.M., there will be another well-planned session to acknowledge the epilepsy month of November.

November 4, 5, and 6 are also the dates when the third annual EPILEPSY STATE CONFERENCE, which you may care to attend, will meet at Indianapolis. It is found to be quite appealing and highly educational.

There will be a Christmas Social on December 16 at 7:30 P.M. -The details will be given to you later.

On January 20, 1977, -at 7:30 P.M., the newly elected officers will take charge. Also, it has been planned to give every member a program for the meetings in 1977.

(I forgot to mention that the August 17th meeting , the picnic to become acquainted, is for everyone in the family).

We can't wait to meet you!

Sincerely,
The Epilepsy Foundation
The newly-founded Epilepsy
Foundation at Fort Wayne

Our special thanks to:

Don Chevilet, for getting us into the public eye......
Dr. George Manning, for his valuable, valuable time.....
Mr. & Mrs. August F. Hook, for the cost of this newsletter....

WITHOUT WHOM ALL OF THIS WOULD NEVER HAVE GOTTEN OFF THE GROUND!

4. Computerized Farm Records and Analysis. This is a new area of service. The farms under our management are being placed on a very simple and easily understood computerized farm record system that we have developed. We will be able to do extensive enterprise analysis as well as tax accounting. This service will also be available to other farm owners and operators who want a very simple way of having their records kept for them with monthly and annual reports provided on a timely basis.

5. Consultation. Consulting services are provided to farm owners for many purposes. We have men in our organization with various specialities and they are very competent to analyze and make recommendations on problems farm owners may be experiencing with their farm. This service can be combined with our computerized records to give any farm owner more sound information from which he can make his management decisions.

6. Crop Consultants. We have a full time agronomist on our staff who works with our area representatives to provide complete soil testing, plant analysis, and detailed recommendations for crop production. This service is available to any farm owner or farm operator for any crop.

Since 1930 several thousand farm owners have made use of our services. Our men are all well trained and have several years of practical experience. You could probably profit from one of our services at the present time, or if not now at sometime in the near future. If you would like more information at this time or would like to talk to our area representative nearest you, please fill out the enclosed postage paid card and return it to us.

Sincerely yours,

...a dull, grey, sunless, windgy, cooler than I like day. Ken's home, long weekend, Pat is home also, her long weekend also; Dave is studying and watching football on TV.

An old army friend of Ken's in the south Pacific days has a daughter in town today, something to do with a church affair and Cheryl is meeting Gail for lunch and then going on to work, and Gail back to the church affair. They are from Marion, Ohio. Gail and Cheryl are the same age and write. Gail works in Columbus, Ohio.

I'm sending an accumulation of stuff in case I don't get over Wednesday. If there is a car available and there isn't anything else shaking, I'll probably be over.....but ~~wait~~ don't wait for me.....

The passport is for Anna Marie Schnurle and states she is from Neuenburg, Wittemberg Kingdom, Germany. and states she is 80 Hahres.

There are Thoman's in Fayette Co., Ill. in 1900

In the 1900 census. George F. Snerly claims to have been born in December 1856 in Ohio, and claimed to be in mfg. with him were Rollin D. March 1880, Eunice July 1881, Frederick G. April 1887 and Charles F. April 1893 all born in Illinois. (in the 1880 George F. was 35 and Martha J., 26 with Rollie 3 mos.) "George F. Snerly served many years as a Shron Twp. Commissioner, and served several years as chairman. In a plat book of Sharon Twp. hes name didn't appear as a landowner, but his picture did appear as a resident of Vandalia, Ill. He was appointed to "help do something about the flooding of the Kaskaskia River".

In 1880 census David W. Snurley was 33, his wife Amanda was 25, and there were 2 kids: Ora age 2, and Loyd 10 Mos.

John apparently lived in Ohio, as he is buried at Mohr back of the Mohr family. A license from Van Wert for John Snearley and Malissa Hoaglin. Later Malissa Snearly had a license to Wed a Fife or Fike (can't find my durn notes, which I just had).
John's dau. Gertrude (Girty on the license) to wed Archie Hoagland.

I cant get a handle on Susie Snearly .....Holly,Hoelle ?

Karl Mohr, by the Mohr Cemetery, said that he remembered a brother of Grandmother Mohr coming to her funeral, and thought that his name was Fred and that he came from Ill. I went to the 1900 census which is alphabetized and ran across the Snerly group in and near Vandalia, Ill. I wonder if these are the nephews that Gottlieb wrote his autobiogrphy for in 1917.
The illustrations page 91....is from an Atlas.....
Geo. F. Snerly, is keeping some pretty hefty company, I'd like to know more about him....and them.

Karl said that Holly was a vet of the Civil War, and he, " , could remember some of the parades, Holly is said to be buried at Woodland, VW.
